The Ecology & Environment, Inc. (E & E) Technical Assistance Team (TAT) was tasked to complete site assessment activities at the above mentioned site. Under this Technical Direction Document (TDD), the TAT researched county records and obtained aerial photography of the property for a 30-year period. After completing this record review, U.S. EPA never scheduled any further activities. Therefore, this TDD is being closed.

This memorandum will serve as a final deliverable for all work completed under this TDD.
